

Family Physicians or Internists

Contact: huy.nguyen@dothousehealth.org

DotHouse looks to add BC/BE Internists, Pediatricians or Family Physicians to our staff of 25. We serve a culturally diverse community and we offer Primary Care, Urgent Care, OM, Acupuncture, Suboxone, Dental, Eye and Behavioral Health Care. In addition, we have on-site Pharmacy, Lab and Radiography services.

This is a great opportunity to be involved in community initiatives and a variety of academic roles at Boston Medical Center and Boston University Medical School. Competitive salary and benefits package. Please send questions and CV to Dr. Caroline Pahk.
