

## **Infectious Disease Nurse Practitioner**

### **Full-Time**

DotHouse Health is a federally qualified health center (FQHC) that promotes health and wellness. Its historic roots date back more than a century. Its mission is to be an essential community resource through achieving the highest levels of health, well-being and quality of life for its residents, to provide affordable, accessible and exceptional healthcare and other essential services in an environment that respects consumers, staff and a diverse community and to be a leading force for change in the health, economic and social well-being of the community. It strives to be a welcoming center of community life in the Fields Corner area and a critical resource for all of Dorchester. It is known for clinical excellence and exceptional care that values and reflects the neighborhood's cultural diversity. DotHouse Health prides itself on serving as a model for providing care regardless of one's ability to pay and as a leader in promoting the health of the entire community.
