

Zaranique Pope Joins DotHouse Health as Chief Human Resources Officer

Dorchester, Mass. — Last month, Zaranique Pope, SPHR, SHRM-SCP joined DotHouse Health as Chief Human Resources Officer. Ms. Pope will oversee the day to day and long term strategic planning human resource needs of the health center.

Prior to DotHouse Health, Ms. Pope managed talent sourcing and acquisition initiatives at Child & Family Psychological Services, Inc. across nine office locations. She has over 15 years of experience in developing and implementing policies and procedures created to increase efficiency, reduce attrition, and encourage tenure among key positions.

The Human Resources department implements and maintains organizational structures and development plans with the focus on growth, retention, and diversity. “Zaranique’s leadership experience in healthcare settings, her operational eye, and her strong interpersonal skills make her a great fit to lead our human resources department and support DotHouse Health,” said President and Chief Executive Officer Michelle Nadow.

As a member of the Executive Leadership team, Ms. Pope is one of the key leaders in the health center’s mission, work, and continued success. DotHouse Health connects patients and members of its community with holistic, affordable, and accessible primary care, social services, and community programs – all under one roof- DotHouse aims to be a leading force in the Dorchester community.

“At DotHouse, I hope to continue the tradition of providing a welcoming environment so that staff can openly access the resources of the human resources department,” said Pope. “I’m excited to join a warm and inviting environment with staff that are committed to the mission to keep the Dorchester community well.”

About DotHouse Health

DotHouse is a nationally recognized health and wellness center with over 130 years of outstanding service to the residents of Dorchester and beyond. A leader in the delivery of community healthcare, DotHouse Health offers a comprehensive suite of health care services and resources to meet the diverse needs of every family. By connecting patients and members of our community with holistic, affordable and accessible primary care, social services, and community programs — all under one roof — we aim to be a leading force for change in our community.
